## Western Minnesota Steam Threshers Reunion

### On site Show Cancelled but Virtual Reunion will be Available

Every Labor Day Weekend since 1954, generations of Thresher men and women get together to relive the tradition of the good ole' days and bring the past to life for the enjoyment of young and old alike.

This year the onsite show/reunion needed to be cancelled but the reunion continues! Western Minnesota Steam Threshers Reunion is going virtual! That's right... Steam to Stream! WMSTR is said to be the second largest show in our country.... But we like to call it a reunion. I have not heard of any other reunion in our country or even the world that is doing a virtual reunion for their volunteers and guests during the time of their cancelled show – but we are!

Join us as we take a trip back to previous years and relive the magic with a WMSTR Virtual Reunion. Showing footage from the beginning through present day we are beyond excited to share this virtual event with you over Labor Day weekend. Our website [www.rollag.com](http://www.rollag.com) and Facebook page will have announcements and our YouTube Channel will be the place to watch – don't miss a single part of the weekends viewing.... It's a first for us and we are glad to share it with you.

Please contact me for more information. We hope you can share this as “good news” with your communities.
