A Lasting Tribute

At the heart of WMSTR is history, community, and tradition.

We gather each year to preserve the past—and we do so in freedom and safety thanks to the dedication of those who serve.

The Hometown Hero Museum will honor:

- Military veterans from all branches
- Firefighters
- Law enforcement officers
- EMS and first responders

Because of their service, we have the freedom to gather here today.

Hometown Heroes Museum.

A place to remember, reflect, and inspire future heroes.
